PROFILE SUMMARY

IT Student | Software Developer | UI Designer | Java | AWS Cloud Enthusiast

Information Technology undergraduate (3rd year) at Vishnu Institute of Technology with a strong interest in software development and UI/UX design. Proficient in Java, web technologies, and user interface design principles, with hands-on experience building responsive and user-centric web applications. Skilled in Data Structures and Algorithms, Object-Oriented Programming, and front-end development, with a focus on creating visually appealing and intuitive user experiences.

EXPERIENCE

Web Development (Frontend)

June 2025 - July 2025

VIRTUAL INTERNSHIP | APEX PLANET

- Worked on frontend development tasks including page design, styling, and interactive features.
- Developed responsive and user-friendly web interfaces using HTML, CSS, and JavaScript.

PROJECTS

Smart Grass Cutter :

IOT

- Built an automated smart grass cutting system using IoT concepts and hardware components.
- Implemented motor control and obstacle detection to enable efficient and safe grass cutting operations.
- Reduced manual effort by automating lawn maintenance using embedded system technologies.

Self Watering System for plants :

- Built an automated smart grass cutting system using IoT concepts and hardware components.
- Implemented motor control and obstacle detection to enable efficient and safe grass cutting operations.
- Reduced manual effort by automating lawn maintenance using embedded system technologies.

Telugu Culture Website (Mini Virtual Museum) :

- Designed and developed a cultural website highlighting Telugu heritage with a visually engaging and user-friendly interface.
- Transformed the website into a **virtual museum experience** by integrating 3D models and environments created using Blender.

TECHNICAL SKILLS AND INTERESTS

- **Languages** : Java, Python (Basic), C, JavaScript, CSS
- **Web Technologies**: HTML, CSS, JavaScript
- **Concepts** : DSA with Java, OOPS using Java, DBMS, OS, CN.
- **Libraries/Frameworks** : React.js, Node.js
- **UI / UX Design**: UI Design Principles, Prototyping, Responsive Design
- **Design Tools**: Figma, Canva
- **Tools/Platforms**: Git, Postman, GitHub, VS Code.
- **Cloud/Databases**: MySQL, AWS (Foundations).
- **IoT & Hardware**: Arduino, Sensors, Microcontrollers, IoT Fundamentals.

CERTIFICATIONS & ONLINE PROFILES

- LeetCode Profile : [24PA5A1244](#)

EDUCATION

Bachelor of Technology in Information Technology

Vishnu Institute of Technology | CGPA : 9.09 | 2024-2027

Diploma in Computer Engineering

Swarnandhra College of Engineering and Technology | 90.34 % | 2021-2024

SSC -TS Board

Brilliant Grammar High School | 10 GPA | 2020-2021
